trainersIndo-Bangla T20I at Sharjah - Rohit Sharma, Team India AFP 12 Mar, 2020 22:17 IST India's Rohit Sharma celebrates
with Team India after scoring a six as Bangladesh all out in 50 overs. MUMBAI: Ravindra Jadeja's 15th consecutive five-wicket
haul helps India post a comprehensive nine-wicket win over Bangladesh in the fourth and final Twenty20 International on

Wednesday. Resuming the match on 129 for six in the 48th over, India got rid of all the Bangladesh top-order batsmen as the hosts failed to build any momentum in the field. Opener Shikhar Dhawan scored a rapid-fire 41, but the rest of the side failed to add any further runs. India found it easy to put their batsmen to the sword as they hammered 149-6 in their 20 overs, and the win set up a final against Pakistan on Thursday. After the pair of Nat Sciver and Shubman Gill bowled Bangladesh's opening pair in the same over, Virat Kohli kept on moving the strike with ease. Meanwhile, the visitors were struggling at the start, losing both openers for just 1 run in the first two overs. But when skipper Shoaib Malik and Soumya Sarkar were dismissed, the home side had to bat with three wickets down and that's when the real trouble began for the hosts. Captain Mustafizur Rahman, who had an outstanding debut in the first T20I, was trapped leg before for 9 in his first over, and then Shafiul Islam and Nasir Hossain were removed in successive balls. Rohit Sharma and Ajinkya Rahane did well to add 23 for the opening stand, but their luck ran out when Dhawan edged and Abhimanyu Easwaran snared his fifth wicket in ODIs with a diving catch. At that point, the Bangladesh lower order was nowhere to be seen, and Rahane struck in the final over to send the opposition skipper to the pavilion. India's run of form is superb following the Test series victory in the 2d92ce491b
