Jeremy Shafer, Jeremy Shafer. Is his "Origami Pop-Ups" book available for free in digital form?!. Field of the Invention The present invention relates to an imaging optical system and an imaging apparatus. More specifically, the present invention relates to an imaging optical system that uses a lens with a refractive index distribution, and an imaging apparatus such as a digital still camera, a digital video camera, and a video camera. 2. Description of the Related Art Heretofore, as a compact digital camera, an imaging optical system that is configured such that a photographing optical system, a camera body, an electronic part, and the like are housed in a case that is small is known. Recently, in addition to size reduction, a digital camera that is equipped with a high pixel count is desired. In this regard, a refractive index distribution type lens, which is called a GRIN lens, in which the ref 2d92ce491b
