The public funeral of America's fallen service members will be suspended while the Pentagon works to secure more space for the estimated 10,000 attendees, the Pentagon announced Wednesday. "As a result of the space limitations, we have suspended the public funeral processions," the Department of Defense said in a statement. "We will announce additional details as appropriate." Let our news meet your inbox. The news and stories that matters, delivered weekday mornings. This site is protected by recaptcha The Pentagon said that the funeral processions are meant to "honor" those who gave their lives for the country. "Our thoughts and prayers are with the families and friends of all those who have lost a loved one. We honor and celebrate the lives of all those who have served this great nation," said the statement. The Pentagon said it hopes to make announcements about the processions in the coming days. The only service members in attendance are members of the family and their guests.
